

**GAMMA M*****M 6******MAGIC***

**SANITIZER FRAGRANCE CLEANER
NEUTRAL
WITHOUT RISING AND WITHOUT SPOTS
FOR POLISHED FLOORS**

*RANGE "M" is an ECONOMIC MAINTENANCE range
DERIVED FROM THE CORRESPONDING CONCENTRATED PRODUCTS*

APPLICATIONS:

MAGIC is a NEUTRAL LIQUID PRODUCT for floors and general use.
Multipurpose product, very active and effective without spots.
Its main feature is the lack of spots even though its great degreaser power
and its ability eliminate many kinds of dirt.
It can be used on any surface, Marble, Wood, Ceramic or other.
Contains a bactericidal product.

INSTRUCTIONS :

Use a solution between 0,5 and 1 % in cold water.
May be used with a mop, or with a washer-drier.
No need to rinse, and does not leave spots.
You can use microfiber cloth specially designed 40 cm x 60 cm
for polished floors.
*Do not use dirty water or dirty cloths so to avoid that dirt
is transferred to the floor.*
FREQUENTLY change water - or when it is too dirty.
