

S - P

FRAGRANCE CLEANER FOR LEATHER

APPLICATIONS:

S - P specially used for cleaning seats and other surfaces in leather.

Apply on surfaces not directly but always with a microfiber cloth.

Cleans thoroughly, eliminates bacteria's that give bad odours and brightens up colours.

Contains highly effective cleaning agents that eliminates grease and dirt trapped in fibers. Contains a mixture of biodegradable essences and specific surfactants to eliminate all kind of dirt on fibers.

INSTRUCTIONS:

1) Vacuum clean area to deal with.

2) Dilute product to 5 - 10 % ALWAYS DO A TEST to check colour stability
Some seats are "VARNISHED" and not "DYED". In this case, varnish may unstick in flakes.

3) With a sprayer nebulise a solution directly on a microfiber cloth
NEVER DIRECTLY on surfaces.

while cleaning, keep surface wet. Do not wet too much
Slightly rub, let it work.
